

# Developmental Evaluation Field Journal

Using What, So What, Now What to move from hindsight to insight to action

My observations about what is happening are...

So, what seems important is...

(Observations)

(Actions)

(Hypotheses & Conclusions)

(Drawing)

Now, what I plan to do next is...

My experience of today looks like...

## Design Your Own Family of Measures

Selecting methods of measurement & evaluation matched to what you want to understand

RELATIONAL COORDINATION Relationship Attributes	SOCIAL NETWORKS Relationship Patterns	PROCESS MEASURES Efficiency ~ Economy	TECHNICAL OUTCOMES Effectiveness
